SILENCER® Mk III 1200W PSU

The Platinum Power Choice

The industrial-grade yet refined Mk III 1200W is the Silencer Series' most comprehensively powerful solution yet, and features a stringent 80-Plus Platinum certified rating for the highest energy efficiency possible. Engineered with only premium components, including Japanese 105°C capacitors and heavy-duty protection circuitries, the Mk III 1200W maintains continuous output at 50°C and efficiently delivers power through a single +12V rail. The Mk III 1200W also sports a new *Dual Thermal Control System*, a sophisticated operation that allows the PSU to switch between normal and silent mode seamlessly. Backed with PC Power's complete confidence in reliability with an industry-leading 7 year warranty, this PSU offers ultimate peace of mind.
